To succeed it is necessary to have a business education. We have trained over 12,000 young people for business—the vast majority of whom are now holding excellent positions—many right here in Richmond. Let us send you our catalogue and special rates of tuition.

Massey Business College

RICHMOND, VIRGINIA

Virginia Military Institute

DISTINCTIVE FEATURES

The attention of all who are interested in education is respectfully called to the special advantages now offered by the Virginia Military Institute. Among these advantages are:

I. Its Distinctive Military System. This has secured for it the name of the "West Point of the South." It tends to muscular development and physical health by an enforced regularity in food, sleep and exercise. It creates habits of promptitude, order, discipline and subordination. It fosters self-reliance and force of personal character by removing all extraneous distinctions, and casting each youth, whatever his antecedent circumstances, in his own individual responsibility. It is equal, uniform and wholesome, restraining without rigor.

II. Its Distinctive Academic Curriculum. This embraces the study of English, History, French or Spanish, German or Latin, Mathematics, Physics, Chemistry, Surveying, Literature, Practical Science.

III. Its Technical Scientific Courses. Provision is made for the members of the second Engineering, of Analytical and Applied Chemistry and of Electrical Engineering. These courses are thorough, continuous, and are illustrated by continuous field and laboratory practice. The Department of Engineering is thoroughly equipped with instruments and models; and the chemistry has all appliances for thorough practical instruction.

IV. Its Distinctive System of Instruction. This divides the classes into sections, whereby the students are accurately graded, and each secures a share of the personal attention of the instructor. The success of the educational work of the school turns largely on this method.

V. Its Economy. The expenses are: pay cadet, \$125 a year; Virginia cadet, tuition free, \$125 a year; State cadet, \$155 a year.

This estimate includes tuition, board, fuel and lights, washing, room rent, medical attendance of the most careful character, expenses of books, stationery and all necessary equipment, and falls below that of any institution of like grade in this country. This estimate is exclusive of outfit, and must be supplemented by a small sum for the entire term, the first year being of necessity the most costly.

Degrees B. A. and B. S. conferred in course.

For further information and catalogue apply to the Superintendent.

GEN. E. W. NICHOLS, Lexington, Va.

St. Hilda's Hall

A SCHOOL FOR GIRLS.
